After enrolling, you'll get a welcome packet in the mail. Inside is your member ID card, insurance plan information and a list of local vision providers.

This includes many of your local neighborhood eye doctors, as well as your favorite retail chains, such as:

Features that fit your busy life

Flexibility: You can get your eye exam and buy your eyewear at different places.

Extended hours: Many provider locations are open seven days a week, as well as evenings. And many accept walk-ins.

Convenience: Search for providers, manage your benefits and view your ID card online at aetnavision.com or on our mobile app. Our customer service reps are also available seven days a week.

Better vision, better health

Your vision insurance plan is good for your overall health. Routine eye exams can spot vision problems like glaucoma. But exams also can detect signs of health conditions like high blood pressure and diabetes — even before symptoms appear.

*Lenses intended for ongoing, daily-wear use; rigid gas-permeable lenses are included.
